Subject: FW: time on Administrator's schedule tomorrow

Hey Arian-

If we add this on tomorrow it would bump her 1:1 with Cynthia Giles. Liel/I don't have the topic on that one- and I think the Administrator requested this meeting?

Obviously, I know the press piece is important. But I didn't want to immediately bump a meeting that I wasn't sure the topic/time sensitivity around it.

Any input would be appreciated!

Subject: time on Administrator's schedule tomorrow

Hey team –

Can we find a half an hour tomorrow around 3 if at possible for the Administrator to talk to Morning Edition and Washington Post about the Gold King Mine spill? We'll put together a mini briefing to get to her at some point tomorrow morning.

Thank you,

Monica Lee
